

# Introduction to Reproductive Health

The **Arizona Family Health Partnership (AFHP)** is excited to present the *Introduction to Reproductive Health* training. The focus of this training is to build the knowledge and skills of youth-serving professionals.

**Date:** April 18, 2019

**Time:** 9am - 3pm

**Location:** Arizona Family Health Partnership  
3111 North Central Avenue, Suite A 115  
Phoenix, AZ 85012

**Cost:** **FREE**  
*Light Breakfast and Lunch included*

**Register:** [HERE](#) or contact **Dania Garcia** at (602) 258-5777 ext. 1101

## Who should attend:

Professionals working with youth including but not limited to home visitors, health educators, health care professionals, and case managers.

## What to expect:

The cornerstone of this training is empowering youth to make informed and healthy decisions. Participants will gain a deeper understanding of adolescent health rights and responsibilities, client focused education and counseling, reproductive life planning, contraceptive methods, and STDs.
