

Introduction to Reproductive Health

The **Arizona Family Health Partnership (AFHP)** is excited to present the *Introduction to Reproductive Health* training. The focus of this training is to build the knowledge and skills of youth-serving professionals.

Date: May 16, 2019

Time: 9am - 3pm

Location: Arizona Family Health Partnership
3111 North Central Avenue, Suite A 115
Phoenix, AZ 85012

Cost: **FREE**
Light Breakfast and Lunch included

Register: [HERE](#) or contact **Dania Garcia** at (602) 258-5777 ext. 1101

Who should attend:

Professionals working with youth including but not limited to home visitors, health educators, health care professionals, and case managers.

What to expect:

The cornerstone of this training is empowering youth to make informed and healthy decisions. Participants will gain a deeper understanding of adolescent health rights and responsibilities, client focused education and counseling, reproductive life planning, contraceptive methods, and STDs.
